Foyers

QUESTIONS?

Who should sign up for Foyers?

You should! Foyers is an opportunity for seasoned and new members of St. Paul's to come together for fellowship and fun over a potluck style meal.

What commitment am I making when I sign up for Foyers?

When you sign up for Foyers, you'll be assigned to a group of about 8 people. Over a 6 month period, your group should plan potluck style dinners together. Each time you meet, a new group member should host the meal. When you're not the host/hostess, please come with a dish to share!

How often do we meet?

Your group should attempt to plan 4+ meals together over the 6 month period. Your group can choose to meet whenever is most convenient.

Will I see the same people at each dinner?

Yes! You will have at least four meals to get to know your Foyers group. At the end of the session, sign up again, we will start creating new groups!

What if I can't make it to a dinner?

As long as you are not the host/hostess, it's not a problem. Make sure you communicate with your group so they can consider inviting another parishioner.

WHAT IS FOYERS?

FOYERS is a group of parishioners who meet for dinner at one another's homes throughout the year to enjoy **food, fellowship and fun!**

These adult only evenings allow parishioners to get to know each other better by meeting in a more intimate setting than a parish-wide event can provide.

HOW DOES IT WORK?

The FOYERS Committee will organize participants into groups of about 8. Groups will be a mixture of couples and singles, newcomers and long-term church members. The groups will enjoy dinner at the home of one of the group's members. Generally, the host will provide the main course and organize the gathering. The other members of that group will provide appetizers, side dishes, bread, dessert, wine, etc...The committee will assign your *Kick-off host* to plan your initial gathering, but the rest is up to your group! Over dinner, you might want to discuss plans for your next dinner (who the next host will be, what date works for you, and yes, maybe even a theme?).

HOW DO I SIGN UP?

Sign up at the "Here I Am, Lord" bulletin board during registration time.

Or you can email the organizers your info! (see contact info on the back page).

QUESTIONS CONT.

What are the host/hostess responsibilities?

The host/hostess should take the initiative on communicating with his/her group. Please set a time and date for your dinner at least two weeks in advance and make sure your group members have directions to your home. Choose the main course and let your group members know what they can bring for the meal.

What if I don't have enough space or am not comfortable hosting a gathering by myself?

Be Creative! If your place isn't conducive to hosting a dinner, feel free to plan a meal out. Choose the restaurant and be sure to make reservations for whoever can join! Or maybe you can team up with another group member to use their house as the location for the dinner you host.

Does it have to be dinner?

Planning is up to your group! If one of your gatherings is a coffee hour or Cocktail party- that is entirely up to whatever works for the people in your group! After we create the groups, we prefer to take a *hands-off* approach!

What about child care?

Foyers is designed to be an adult only event. If several members of your group have children, feel free to coordinate child care with one another.
